Meet the Physical Therapist...

Melissa Ring, DPT
Doctor of Physical Therapy
MLRing@selectmedical.com

Total Clinical Experience: 2010 to present

Melissa Ring is a Physical Therapist at Shore Orthopedic Physical Therapy in Galloway located at 18 East Jimmie Leeds Road and managed by NovaCare. As a member of the NovaCare clinical team, Melissa uses her hands-on skills in the rehabilitation of a variety of orthopedic injuries and post-surgical interventions with a special interest in spinal injuries. A dedicated professional therapist, Melissa is focused on giving her patients the highest quality care and treatment. Educating each patient on their diagnosis, body mechanics, and injury prevention is a priority for her as she guides each individual to a successful recovery.

An alumna of Richard Stockton College in Pomona, Melissa earned her Bachelors degree in Applied Science as well as her Doctorate of Physical Therapy. She has complemented her formal education with continuing education courses including Vestibular and Concussion Rehabilitation, Modalities – Electrotherapy, and Evidence Based Treatment for Low Back Pain. She is also certified to administer Select Medical WorkStrategies[®] Functional Capacity Evaluations. Her clinical affiliations include Cape Regional Medical Center, Atlantic County Special Services School, NovaCare Galloway and Bacharach Rehabilitation Hospital. In addition, Melissa is a Certified Massage Practitioner with more than 12 years' experience.

Melissa's Vision... "Quality of life is all important to me and I love working with patients to help them to achieve their goals. I provide exceptional clinical care with encouragement and dignity that truly makes a difference in the recuperative process. My greatest satisfaction as a physical therapist is being part of that success story where I have the opportunity to enhance patients' lives and help them to once again participate in the activities they love and enjoy."
