Clinician Profile

Douglas A. Dannehower, P.T., FAAOMPT

Years of Clinical Experience: 34

Douglas Dannehower is clinical veteran with more than 34 years of experience in the field where he has garnered a wealth of knowledge from his lifetime of service treating patients in the outpatient setting. His specialties include shoulder impingement, rotator cuff repair, instability of the knee, ligament repairs, and lower extremity fractures. In 2013, Doug completed the one year post-graduate program of the Ola Grimsby Institute (OGI) in manual therapy, earning the designation COMT (Certified Orthopedic Manual Therapist). From 2014 through 2016, he continued his post-graduate education by completing the one year Residency and one year Fellowship Program in manual therapy through the Ola Grimsby Institute. The Residency and Fellowship programs included spending 150 1:1 mentoring hours each year with OGI instructors around the country. Graduating from the Fellowship program earns the designation Fellow of the American Academy of Orthopedic Manual Therapy. Doug also participates in Select Medical's Physical Therapy Mentoring Program, instructing other physical therapists in exercise prescription, hands-on techniques and assessment.

"I continually seek to develop more efficient avenues of treatment to influence superior patient outcomes."
