

Clinician Profile

Grady Brozyna, MSPT, OCS, COMT

Years of Clinical Experience: 23

Grady Brozyna is a valued member of the NovaCare team, who has spent his career treating a broad spectrum of orthopedic conditions. He specializes in the rehabilitation of patients with sports injuries, whiplash, chronic pain, foot and ankle disorders, TMJ dysfunction, and post-surgical interventions including total joint replacements, ACL reconstructions, muscle, tendon and cartilage repairs. In 2018 Grady began teaching the Certified Orthopedic Manual Therapist program and other courses across the country for Select Medical. He is proficient in Spanish and American Sign Language. His education and certifications include the Orthopedic Clinical Specialty (OCS) from the American Physical Therapy Association in 2009 and recertified in 2019, Certified Orthopedic Manual Therapist (COMT) in 2014, Residency and Fellowship training in Orthopedic Manual Therapy in 2015 and 2016. Grady graduated in 2000 with a master's degree in PT from University of Medicine and Dentistry of NJ.
