

Clinician Profile

Stephanie Tischer, MS, OTR/L, CLT

Years of Clinical Experience: 7

Stephanie Tischer is a dedicated professional with a passion for excellence in patient care. From the moment a patient comes through the door, she is fully engaged in creating an outstanding rehabilitative experience with compassion, empathy and expertise. As an occupational therapist, Stephanie utilizes a combination of manual therapy, exercise, therapeutic activity, pain management and patient education to maximize recovery. She enjoys connecting with each of her patients and growing to understand their unique needs and goals throughout their path to recovery. Stephanie has notable success in the treatment of clavicle and shoulder fractures.
