PF-2000 Consent to Use and Disclosure of Protected Health Information**

Use and Disclosure of your Protected Health Information

Your protected health information will be used by Shore Orthopaedic University Associates or disclosed to others for the purposes of treatment, obtaining payment, or supporting the day-to-day health care operations of the practice.

Notice of Privacy Practices

You should review the Notice of Privacy Practices for a more complete description of how your protected health information may be used or disclosed. You may review the notice prior to signing this consent.

Requesting a Restriction on the Use or Disclosure of Your Information

You may request a restriction on the use or disclosure of your protected health information.

Shore Orthopaedic University Associates may or may not agree to restrict the use or disclosure of your protected health information.

If *Shore Orthopaedic University Associates* agrees to your request, the restriction will be binding on the practice. Use or disclosure of protected information in violation of an agreed upon restriction will be a violation of the federal privacy standards.

Revocation of Consent

You may revoke this consent to the use and disclosure of your protected health information. You must revoke this consent in writing. Any use or disclosure that has already occurred prior to the date on which your revocation or consent is received will not be affected.

Reservation of Right of Change Privacy Practices

Shore Orthopaedic University Associates reserved the right to modify the privacy practices outlined in this notice.

“Public law of the State of New Jersey mandates that a physician, chiropractor or podiatrist inform his patients of any significant financial interest he may have in a health care services. Accordingly, I wish to inform you that I do have a financial interest in the following health care service(s) to which I refer my patients:

Shore Ambulatory Surgical Center, LLC d/b/a Jersey Shore Ambulatory Surgery Center

You may, of course, seek treatment at a health care service provider of your own choice. A listing of alternative health care service providers can be found in the classified section of your telephone directory under the appropriate heading. NJSA 45:9-22.6”

Signature

I have reviewed this consent form and give my permission to *Shore Orthopaedic University Associates* to use and disclose my health information in accordance with it.

PROJECT MEDICINE DROP: Safe and Secure Medicine Disposal Unused medications that remain in your medicine cabinet are susceptible to theft and misuse. To prevent medications from getting into the wrong hands, New Jersey's Office of the Attorney General and Division of Consumer Affairs urge you to properly dispose of your expired and unwanted prescription medicine at a nearby Project Medicine Drop location.

DROP OFF IS SIMPLE, ANONYMOUS AND AVAILABLE 24 HOURS A DAY-365 DAYS A YEAR, NO QUESTIONS ASKED. Simply bring in your prescription and over-the-counter medications and discard them in an environmentally safe manner. Always scratch out the identifying information on any medicine container you are discarding.

*For a list of Project Medicine Drop locations, please visit www.njconsumeraffairs.gov/meddrop
