

Clinician Profile

Jan Giselle Payabyab, PT, DPT

Jan Giselle is a valued member of the clinical team whose goal is to provide a compassionate and informative environment for all patients to best collaborate with them in reaching their rehabilitation goals. Jan Giselle has experience in the outpatient setting working with a broad variety of patient populations including geriatrics, pediatrics and orthopedics for musculoskeletal, neuromuscular, vestibular and post-operative patients including joint arthroplasties and ligamentous repairs/reconstruction, vestibular condition, and cervical and lumbar spine pathologies.

Education and Certifications

- **Doctor of Physical Therapy**
Saint Joseph's University – 2023
- **Bachelor of Science – Health Science**
Stockton University - 2019

“As a physical therapist, there is nothing more satisfying than watching my patients succeed with rehabilitation and achieve their goals.”

Jan Giselle's Vision... I am passionate physical therapist who strives to provide my patients with the highest quality of individualized care. By doing so, I hope to help my patients achieve functional independence and return to participating in activities that they love. Through the utilization of current research and the foundational knowledge from my graduate academic career, I plan to provide my patients with specific care programs that are specifically catered to them and their personal goals.
